

REFERRALS TO COUNSELING SERVICES

OFFICE HOURS:
MONDAY-FRIDAY 8A.M-5P.M

Brotz Hall LL21

COMMUNICATE WITH STUDENT

Inform student that you would like to connect them with a counselor. Remind them of confidentiality and that you will not be informed if they use the service or not.

EMAIL COUNSELING CENTER

With student permission, email a counselor directly, or counselingcenter@lakeland.edu, with student copied. Use a few words of introduction and the counselor will email the student within 24 hours.

SAME-DAY COUNSELING

Same-day appointments can be arranged: call or email a counselor (contact info below) and they will return the communication as soon as they can to let you know availability. If you walk a student to the center we can do a brief triage within one hour and schedule a future appointment.

IF YOU BELIEVE A STUDENT IS AT RISK OF HURTING SELF OR OTHERS...

For immediate danger, contact campus safety 920-565-1126 or call 911. Stay with the student or find someone else who can, until help arrives.
